Sir:

Your petitioner and applicant, Meryl J. The owner, Meryl Squires, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer of the conflicting U.S. Patent No. 6,355,684. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that any patent granted on the above-identified instant application and conflicting U.S.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the conflicting patent, as shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned certifies that he is the attorney of record and that the authority to sign this Terminal Disclaimer has been delegated to him by the petitioner, applicant, and owner Meryl J. Squires.

Respectfully submitted,
